Career Objective

Motivated and detail-oriented Computer Science and Engineering graduate seeking an entry-level Full Stack Developer role. Skilled in React, Node.js, Express.js, Javascript and MongoDB with strong problem-solving abilities. Passionate about creating scalable web applications and continuously learning modern technologies to contribute effectively to development teams.

Technical Skills

Frontend Technologies:

- HTML, CSS, JavaScript, React.js – Skilled in developing responsive and interactive user interfaces.

Backend Technologies:

- Node.js, Express.js – Able to create RESTful APIs and manage server-side logic for web applications.

Programming Languages:

- Java (Basics), Python (Basics) – Strong foundation in coding, logic building, and problem-solving.

Database:

- SQL (Basics), MongoDB – Knowledge of structured and NoSQL databases for efficient data handling.

Technologies Familiar With:

- AI, IoT, CNN, Image Processing – Exposure to intelligent systems and automation-based projects.

Academic Project

- I worked on "Personalized Dietary Advice Through Advanced Image Recognition using CNN" using Developed the front-end using HTML, CSS, and JavaScript. managed data storage with SQL.
- Implemented backend logic using Python, CNN, and image processing techniques.

Internship

- **MERN Full Stack Developer Intern – Consensus Technologies Pvt Ltd**, I Completed a 3-month MERN Full Stack Development internship, working with React, Node.js, Express.js, JavaScript, and MongoDB.
- Gained hands-on experience in building scalable modules, debugging, and contributing to real-time development tasks.

Achievements

- Received appreciation for innovative design and teamwork during the college project presentation.
- Recognized for innovative design during college project exhibition.

Education

- **Bachelor of Engineering (B.E.), Computer Science and Engineering** *Muthayammal College of Engineering (Anna University), Tamil Nadu*, Passed out in 2025 with a Percentage of 70.
- **Higher Secondary Certificate (HSC)** *St. Joseph Academy Matric Higher Secondary School, Sankarapuram, Tamil Nadu* Passed out in 2021 with a Percentage of 82.24.
- **Secondary School Leaving Certificate (SSLC)** *St. Joseph Academy Matric Higher Secondary School, Sankarapuram, Tamil Nadu* Passed out in 2019 with a Percentage of 74.6.

Personality Skills

- Positive Attitude and Self-Motivated
- Responsible and Disciplined
- Willingness to Learn New Technologies
- Adaptable to work in teams for collective goals

Certification

- Mern Full Stack Development – J Spiders, 2025.
- Cloud Computing – Cisco Organized by Naan Mudhalvan.
- Network Essentials – Cisco Organized by Naan Mudhalvan.

Field of Interest

- Learning new technologies
- Exploring new places by Travelling
- Creative Script writing
- Sports and Physical Fitness

Personal Details

- Father's Name: Velu C
- Date of Birth: 20 Dec 2003
- Gender: Male
- Nationality: Indian
- Languages Known: Tamil, English
- Marital Status: Single
